WE HOPE YOU'RE HOLDING THIS BAG
LIGHTEADED, FINGERS TREMBLING.

We hope that you're sore, the kind of satisfying ache that makes you lurch and limp, yet laugh at yourself. We hope you conquered the road, the trail, the river, that never-ending, leg-cramping, lung-crushing hill. Even if you didn't win the race. Even if you finished last. We hope you surprised yourself today, and we hope that you're proud.

What we really hope, though, is that you're not not at home, accepting excuses, wasting another perfectly good opportunity to Try.

TRYCHIPS. WASTE NOTHING. TRY EVERYTHING.

You TRY hard – why let that effort go to waste? To fuel your efforts you need REAL food. We carefully chose the awesome antioxidant power of GREEN TEA and pomegranate and supercharged them with our proprietary blend of apple chips & more, to create a synergistic combination of nutrients & vitamins that are alive and ready to revitalize you with natural fat-burning, energy-promoting, anti-cancer and lung-expanding benefits.

Don't waste another minute, enjoy TryChips while you
ASPIRE to TRY your best!
