WE HOPE THE HAND HOLDING THIS BAG IS DIRTY
WITH CHIPPED NAILS AND CALLUSES.

We hope you feel slightly nauseous from exertion, and that your muscles are quivering. Uncontrollably. We hope you tried your best, be it trail running, bike riding or kite flying. Be it first place or last. We hope you didn't give in, give out, or give up. We hope you gave it your all.

What we really hope, though, is that you're not just now waking up at noon, letting another day waste away.

TRYCHIPS. WASTE NOTHING. TRY EVERYTHING.

You TRY hard – why let that effort go to waste? To fuel your efforts you need REAL food. We carefully selected Patagonia's supercharged berry - MAQUI and powered them with our proprietary blend of apple chips & more, to create a synergistic combination of nutrients & vitamins that are alive and ready to revitalize you with natural immune-boosting and joint protective, and lung-expanding benefits.

Don't waste another minute, enjoy TryChips when you **VENTURE** out in the great unknown!
